Benefiting Tomorrow!

**We're almost there but we
still need your help!**

The new Y is a great thing for our community. It promotes fitness, health, sports and active lifestyles for everyone. Having travelled so much with my hockey career, I worked out in many high-end fitness centres, gymnasiums, and aquatic facilities all across North America and Europe. I've toured the new Y and it makes me proud to see such an incredible modern facility now here in Chatham and I'm happy to support the YMCA! Join me and all the members, volunteers, and donors from across Chatham-Kent who are making such a difference in our community." – Todd Warriner
