

YMCA of Sarnia-Lambton Celebration of Youth Awards

Celebration of Youth Awards

For more than 90 years the YMCA of Sarnia-Lambton has been a leader in youth development in our community. We believe the youth of today are the key to a more prosperous future tomorrow. By investing in our youth today, they will become healthy, caring adults contributing to a caring and civil society. The Celebration of Youth Awards is one example of the Y's commitment to invest in

the young people of Sarnia-Lambton. The Awards honour individuals whose outstanding talents and achievements contribute to the well-being and future of our community. The mission of the YMCA is to build strong kids, strong families and strong communities. The Celebration of Youth is just one of the ways the Y works to make a difference in our community.
