YMCA Camp Queen Elizabeth (CQE) is a seasonal summer camp and outdoor center located in Georgian Bay Islands National Park on Beausoleil Island just outside of Honey Harbour, Ontario. Since 1953, CQE has offered a variety of programs for children and youth ages 6-17, including traditional one and two week overnight camps, extended canoe out trips, leadership programs, and outdoor education programs for school groups. The programs offered have a strong emphasis on waterfront activities, canoe tripping, and environmental education. YMCA Camp Queen Elizabeth operates during the spring and fall seasons as an Outdoor Center, offering a variety of programs for schools and groups as well as a selection of training events and retreats for camp staff, adults and private groups. Annually, CQE hosts approximately 2000 participants throughout the outdoor education and summer camp programs.

Experienced counsellors are required to give leadership to program instruction areas at camp, and most will be responsible for heading a morning activity. Counsellors also give support to Leaders-In Training in counselling placements. In some sessions, CQE Onsite Management and the Counselling Support team will provide opportunities for qualified counsellors to take on more varied roles at camp, including and not limited to the following: leading extended canoe trips, supporting program areas on the Program Team, working with campers with special needs, giving support to counsellors on the Roving Team, joining the Operations/Kitchen staff team, joining the Leadership team, etc. Flexibility and a willingness to take on new challenges are essential qualities for all counsellors.
