### Our Y

With health and fitness branches, camps, child care centres, community programs and newcomer services across the region, reaching from Windsor in the West, North to Goderich, South to Point Pelee National Park and East to Woodstock, the YMCA of Southwestern Ontario is committed to the development of healthy communities. Our locations, programs and services are designed to help our members and participants grow in spirit, mind and body and are open to people of all backgrounds, beliefs, and abilities.

This commitment includes a special focus on the region's children and youth. From the kids in our camps and those participating in soccer and swimming lessons, to youth who are new to our communities from around the world, the Y is committed to helping our next generation to grow and thrive, as healthy individuals and passionate future leaders.

In the past year, the YMCA of Southwestern Ontario has supported more than 165,000 participants with opportunities to learn, grow and live healthy lifestyles.

"The Y has given me more than I could imagine. It has helped my children have a happy, healthy Mom – and you can't put a price on that." ~ Mary

"Y" not join these participants, our nearly 91,000 members and over 2500 employees and volunteers in the region to share our vision of a healthy community?
