## Welcome to the YMCA of Southwestern Ontario's Financially Assisted Membership Program.

Our program serves those individuals that are unable, but not unwilling to pay the full fee to become a member of the Y. We will make every effort to accommodate and determine a financial agreement that is acceptable to both you and the YMCA of Southwestern Ontario.

We are a charity. We set our prices to ensure sustainability and program quality and not, for profit. Financial assistance is made possible by the generosity of donors to the Y. For every dollar that we subsidize, we have to make up with a dollar donation or find cuts in expenses such as staff. Within our Health, Fitness and Aquatics department, we receive around 3% of our revenue in funding (federal, provincial or private). Therefore, the vast majority of revenue is from membership dues.

We ask that when applying for financial assistance that you follow the core values of the Y in being Honest with how much you can contribute and respect that although we are a charity, we still incur all of the expenses of a for-profit business.

Thank you for your understanding and cooperation in this process. All information provided will be kept confidential.

Please be prepared to make your first payment and provide a void cheque or pre-authorized payment form to activate your YMCA membership and to schedule your pre-authorized biweekly payments.
